

# Human body

The forehead

The chin

A lung

A rib

The kidney

The spine

A knuckle

A heel

A nostril

The brain

An elbow

An armpit

The sight

The navel

A toe

The palate

The liver

The eyelids

Beefy

Dizzy

Feverish

Twitchy

To wax

To cough

To pass out

To blow one's nose

To twist one's ankle

To sweat

**Sweet tooth:** A love of sugar or sweet things

**To have a brain wave:** To have a sudden good idea

**Break a leg:** Good luck

**Be all ears:** Listen attentively

**Bite one's tongue:** Be silent about something

**Butterflies in one's stomach**

**To give someone the cold shoulder:** To ignore someone
